

Checklist to help you prepare for your stay in the clinic

For patients with a spinal cord injury

You may find that not everything on this checklist is relevant to you. Please make sure that you take note of any points that are important for you.

Before your stay

If you require an upgrade to private or additional insurance, please let us know in good time on telephone +41 41 939 42 81.

Please inform us of any dietary requirements (e.g. vegetarian or vegan) on telephone +41 41 939 43 43.

When patients are admitted for surgical procedures

Please inform us by telephone on +41 41 939 69 44 if you are taking any blood-thinning medicine (e.g. aspirin, Aspirin cardio, Plavix, Contra-Schmerz, Saridon, Xarelto, Eliquis, Lixiana, Pradaxa, Marcoumar, Clexane, Brilique, heparin, Fragmin or Fraxiparine).
